studentcouncil

Hey Titans! It has been my privilege to serve as your Student Council President for the 2009-2010 school year. This year's theme "The Time is Now!" encouraged Titans to get involved and take part in school wide activities. Whether it was through a new event like Helping Hampers or a Titan favourite such as BYOB, we united together and lived up to our school motto "In Omnibus Excelsior," In All Things Excellence! The teamwork illustrated between the staff and students created bonds which will last a lifetime! I am proud that I attended Harry Ainlay, and I truly believe that no other school could have taken its place. The experiences and memories we formed at Ainlay will be something we never forget. High school was a critical period in our lives, with the friends we made, the problems we faced, the wisdom we gained, and the fears we conquered. We are all connected by our shared experiences at Ainlay and will remain connected forever. As the saying goes, "Once a Titan, Always a Titan!" I would like to THANK YOU ALL, from the bottom of my heart for such an amazing year and I wish you all the best in your future endeavors.

Berneta Randhawa,
Student Council President

studentcouncil activities

Remember us? The crowd of superman shirt wearing people by the soundstage during rotunda games, behind the counters during BYOB or Aloha Ainlay, and acting as refs during the dodgeball games? Yes, that's us, the tireless members of student council. Our goal this year was for us Ainlay Titans to realize that THE TIME IS NOW to get involved and take part in all the awesome school activities that Harry Ainlay offers, and you guys definitely did not disappoint! This past year saw people from all the different groups and cliques of the school come together for such epic events as Culture fest (hello ethnic talent show + food!), ASLC (how much cheering did we do?) and of course RECORD Dodgeball participation. Record participation wasn't even limited to fun and games, as our Christmas Hampers fundraiser was the most successful one in years, and even the simple change for change fundraiser collected over \$2000 for Haiti's earthquake relief! On behalf of Student Council, I want to thank you Titans for being so involved in your school. 2009-2010 will go down as Ainlay's finest year for student involvement in the decades to come!

Calvin Ho, Executive Assistant

Mr. D. Jones, Principal

*principal's*message

This year's theme "The Time Is Now" is very relevant to Harry Ainlay students. You took the time to learn, study, experience, all leading to your personal success and the success of your peers! Ainlay students took the time to be involved in many extra curricular activities: to work at their acting skills for the performance of Jane Eyre; to sing and play an instrument at the fabulous Winspear Concert; to be on one of the provincial champion athletic teams; to be on a leadership committee to host a student from around the world; to donate money, food and gifts to 5 less fortunate families in our community during Christmas; and to raise funds for the "Me To We" campaign and help build a school in Puerto Rico. The focus on character education has provided you with a foundation to be a proactive, responsible and a successful person throughout your life. Truly, through these halls walk champions of academics, languages, the Arts, CTS and athletics. You have displayed a great commitment to do your best, to work hard, to overcome obstacles and to persevere. 2010 has been an excellent year, providing great moments in time. The time is now to continue making more memorable moments and memories. Do so with respect, responsibility, honesty, forgiveness, fairness and integrity ... Titans 24/7!

coresubjects

The core subjects include Science, English, Social Studies, and Mathematics. Each course offers exciting curriculums that enable students to develop skills in writing, reading and intellectual activities. The core subjects also allow for students to apply their vast knowledge through social, economic and political perspectives. Whether in the lab or the classroom, students are given the opportunity to apply their knowledge skills to develop and gain a better understanding of the world around them.

international *baccalaureate*

This program challenges highly motivated students to develop critical thinking skills that will prepare them for life and future academic studies. High academic achievement and community service help IB students earn scholarships and apply their skills in the world around them. This year marked the 26th year that the IB program has been offered at Harry Ainlay. IB students study curriculum with increased depth, greater breadth, and a more international focus. IB also gives students the opportunity to grow close with their friends and teachers.

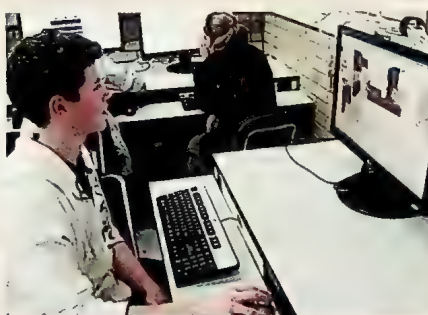

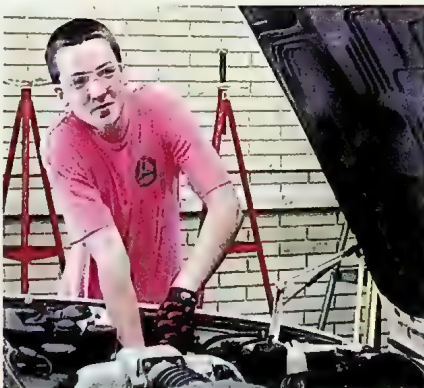

internationallanguages

Harry Ainlay offers international languages in French, Japanese, Spanish and German, giving students an opportunity to learn a different language and to experience a different culture. Language students attend field trips and exchange programs where they are further exposed to the language and culture. Each language program provides students with a variety of fun and meaningful learning activities, which assist them in gaining effective communication skills and cultural understanding.

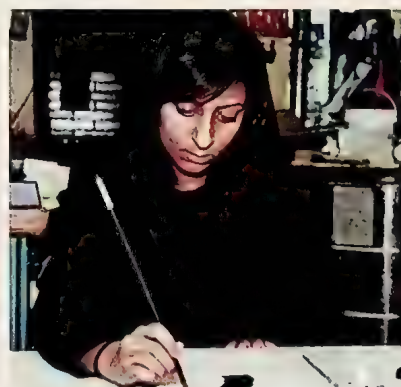

Do you like to apply the theory of a subject area in a practical and hands-on way? If so, then you would definitely enjoy taking a career and technology course (CTS). This year CTS courses were offered in the areas of mechanics, communication, cosmetology, design, fashion, foods, and computers. As you can see from the photographs students were busy creating projects in a variety of interesting ways.

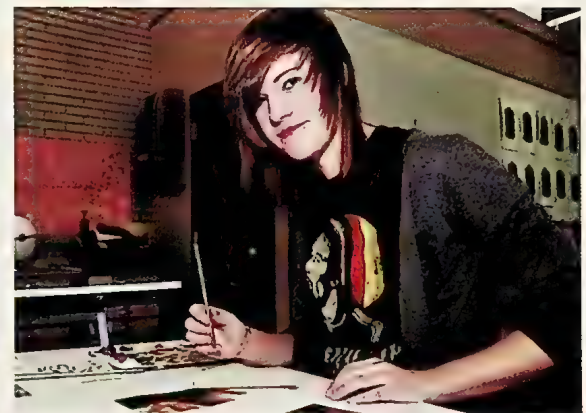

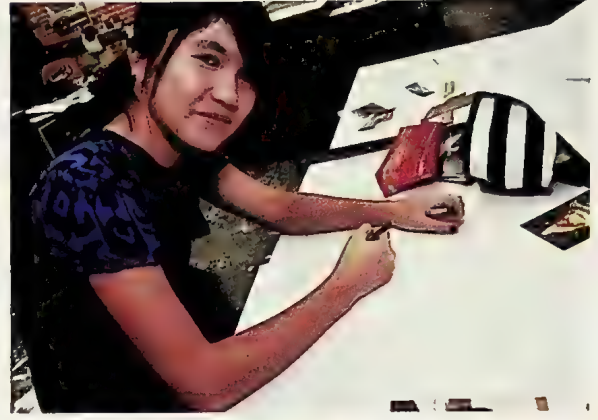

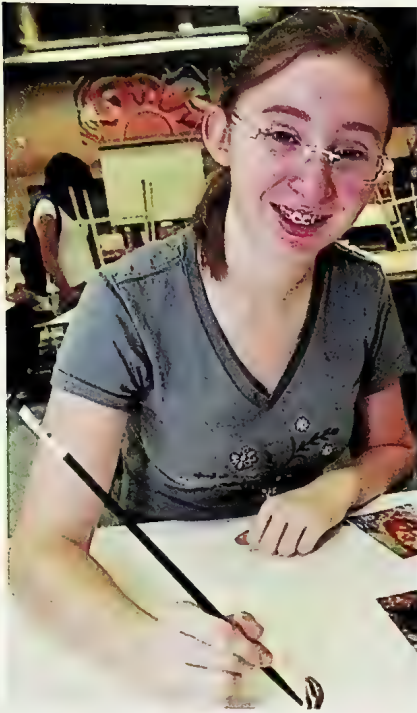

artattack

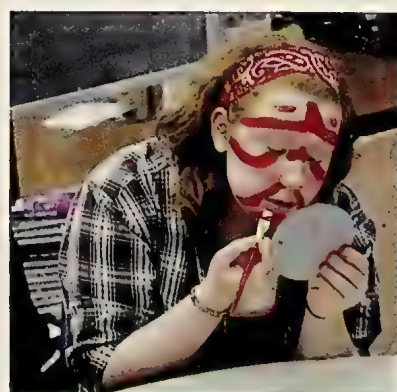

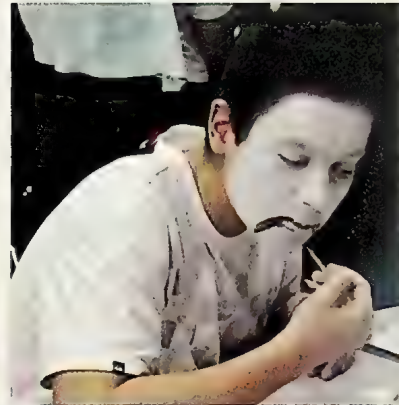

To create a variety of personal masterpieces, art students used paper, clay, styrofoam, paint, pastels, pencils, crayons and found objects. These students spent many hours working on their creations, modifying, and analyzing every detail. The results of these students' creative work was a collection of many unique works of art.

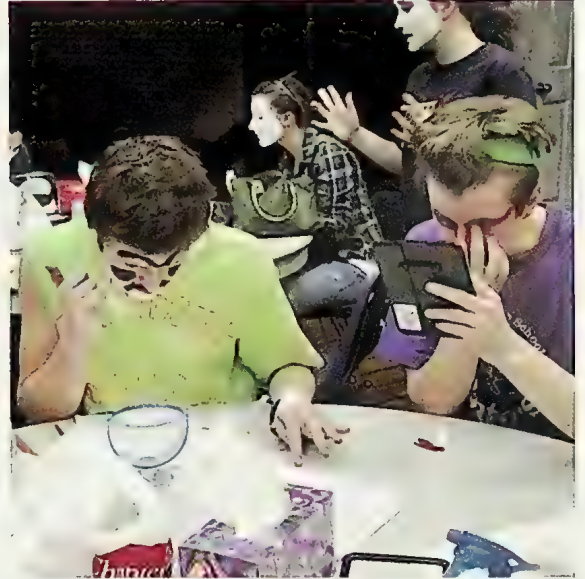

drama

Acting, singing, dancing, on stage, back stage and up in the tech booth, drama students do everything that needs to be done so that the "Show can go on." From the skits in class to the Goodfoot Dance Review to this year's production of *Jayne Eyre* the students created many memorable moments for the assembled audiences to laugh, cry and smile about.

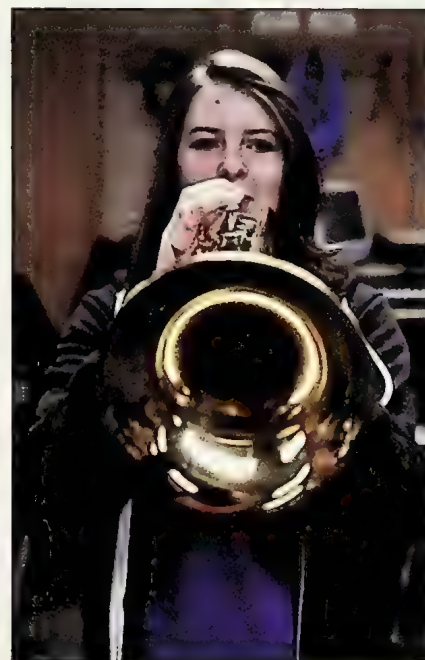

music

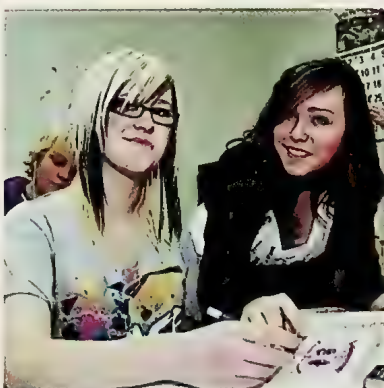

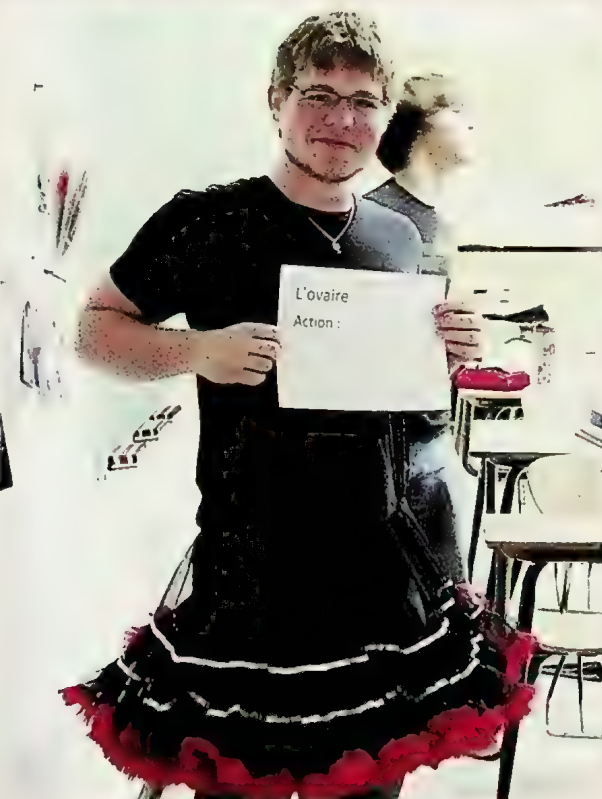

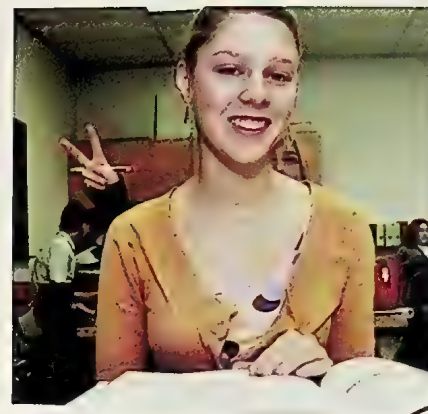

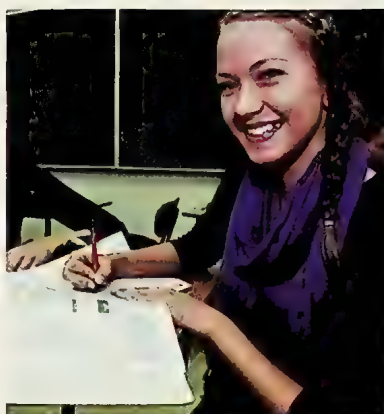

Highlights of the music program included; Music Retreat at Camp Nakamun, the Jazz group's 29th annual Big Band Bash, Concert and Symphonic Band at the Alberta International Band Festival, EPS Night of Music, Winds at the Winspear concert and numerous other occasions where our singers and musicians entertained at Ainlay events. Many thanks to all of the students for their passion for music and commitment to the music program at Ainlay.

frenchimmersion

L'immersion en français ! C'est une autre année d'apprendre dans notre langue favori. On a fait beaucoup de choses cette année, comme voir le film << De père en flic >> dans le théâtre et aller a Galaxyland pour le physique. C'est du fun, ça. Youppi pour le français! And if you don't happen to know how to speak in French, we're just saying how it's awesome!

physed

Student participation was fantastic this year as students were able to stay physically active by participating in Physical Education 10, 20 and 30, Sports Performance and Fitness Classes. With teamwork, enthusiasm and sportsmanship, students were able to make the most out of Phys. Ed. Keep those muscles moving!

interactions

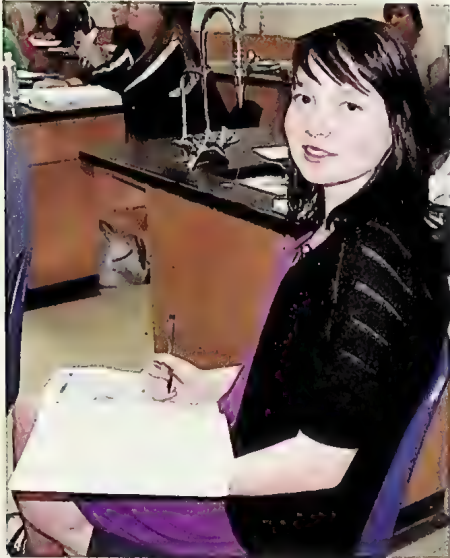

The Interactions program is a specialized program for students with autism. Life skills and community involvement, combined with functional academic learning are the focus of this program. This year we had six students in our Interactions program.

snowday

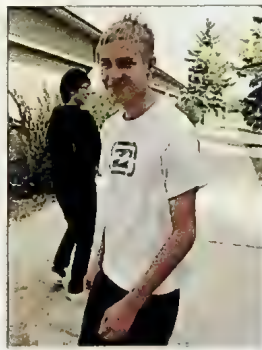

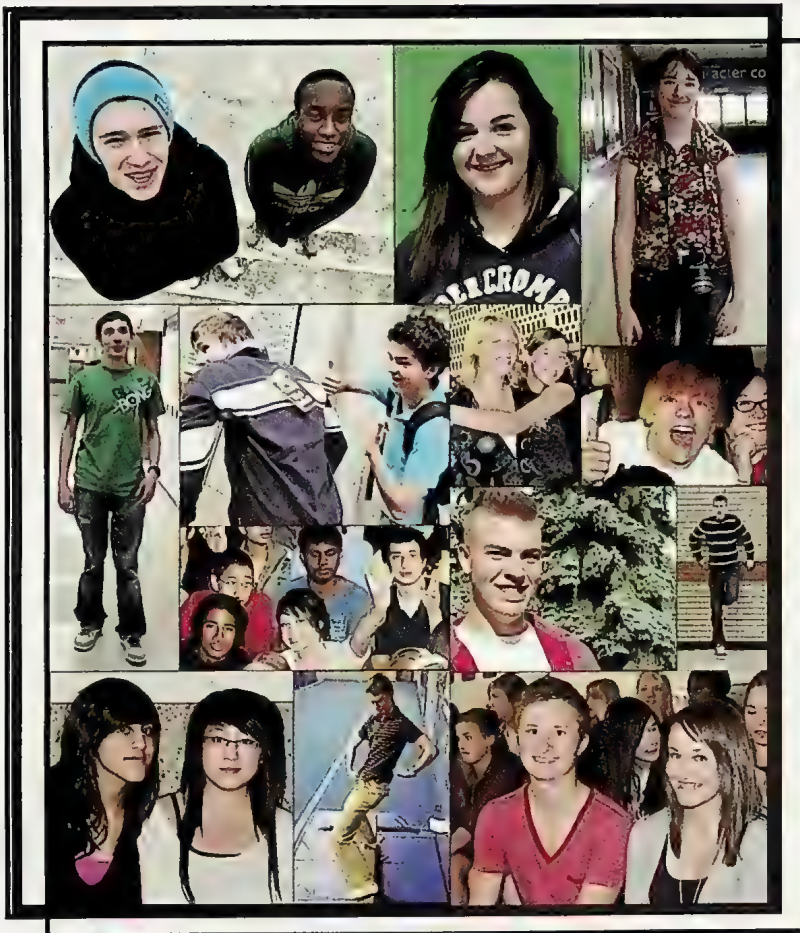

On May 4, 2010, Old Man Winter paid Edmonton a visit gifting the city with a spring blizzard. Temperatures dropped and the southwest part of the city lost power. With no power, no lights, and no windows, Ainlay students witnessed the first Snow Day in the history of Edmonton Public Schools. IB students had to stay at school to write the IB English Exam. Desks for 118 IB students lined the main hallways, illuminated by skylights while the wind howled outdoors.

insideainlay

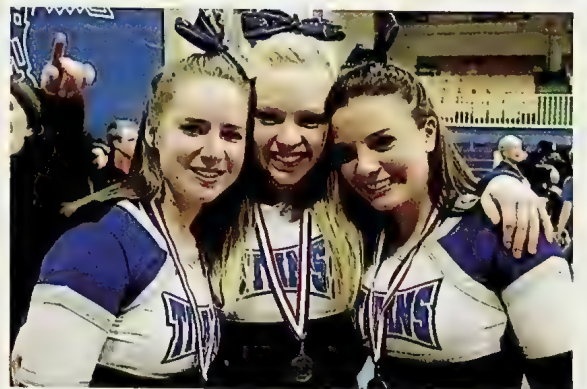

Inside Ainlay is a daily menagerie of 2300 students living, learning, socializing and just hanging out and having fun. Friendships made, sports played, memories that will never fade. As Titans we cheer on our teams, listen to great tunes, cram, laugh, talk, and sit by our lockers blocking hallway traffic. Inside these walls, Ainlay became a home away from home.

titanpride

Ainlay is a powerhouse to be reckoned with as we excel in the arts, academics, and in sports. Our spirit and pride is not only contained within the walls of the school but overflows into our local and global communities. Titan Pride is the bond that holds us all together now and in the future. Once a Titan ...

outsideainlay

53 degrees North latitude, and we just can't change that fact. Temperatures range from a record-breaking -46.1C in December to the possibility of +30 C in June. Seasons change as do our wardrobes to cope with heat one day and a snowstorm the next. No matter the weather Titans courageously battle the conditions come rain, sleet or snow.

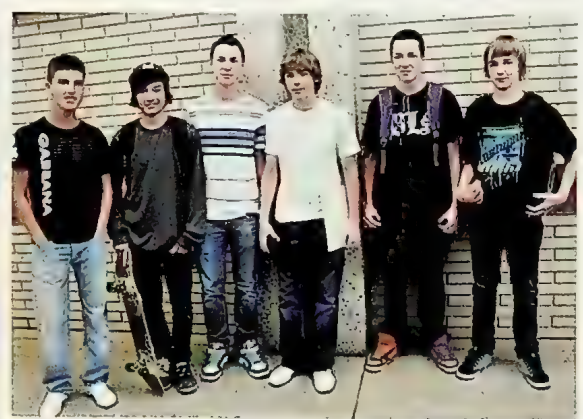

friendsforever

High school: Three awesome and exciting years of classes, homework, exams and best of all, FRIENDS! Truly great friends are hard to find, difficult to leave, and always, impossible to forget. These friendships have been forged in Titan-ium and will last in our hearts as we journey through life's many twists and turns.

clubs and interests

If you are interested in something, Ainlay, probably has a club for you to meet like minded people. This yearbook was created by a group of people who came together to create a lasting memory capsule of 2009-2010. Clubs range from anime to dance to theatre to knitters to mascots all the way to social activists.

titanvolunteers

"If there's no audience, there just ain't no show." — Canadian band "Chilliwack"...

Yes, we do need an audience for all of our amazing events at Ainlay such as TVT, Tri-Prov, Grad and many more. BUT the essential ingredient is that we need a mass of volunteers, to plan, organize and implement the event; everything from decorating the gym to taking out the garbage at the end of the event. Behind the scenes there were committees, guided by leaders to get the work done so that we can enjoy the show. ***"If there's no volunteers, there just ain't no show."***

titanentertainers

Harry Ainlay has talent! Name any event that happens at Ainlay: TVT, Tri-Prov, Touch of Class, Culture Fest, Black History Month, and our talented peers were there entertaining the crowd. They sang, played instruments, danced and acted to make the specific event one to remember.

linkcrew

On August 28, 2009, approximately 640 Grade ten students participated in Link Crew. Our new Titans were introduced to the school through tours, presentations and speeches and were able to meet fellow students through various activities led by the Link Crew leaders. With entertaining introductory videos, enthusiastic staff and students, and Subway's amazing cookies, the Grade 10s definitely caught a glimpse of our Titan spirit! This event could not have been a success without the commitment and hard work put forth by the A-Team, the Dream-Team, the leaders, the executive committee, and the teacher advisors. Link Crew 2009 was a blast!

welcomebbq

Welcome Back Barbecue! Can you think of a better way to start off the new school year than with a bunch of free food? Wicked weather tormented this year's event, but in the end some quick planning and improvising made it the best ever! Burgers in the outdoor classroom, the inflatable obstacle course in the gym, teacher dunk tank, popcorn and root beer in the rotunda turned the school into a fantastic fun house! Who can forget the sick beats we got from DJ Paul Tran in the rotunda, who rocked the house all lunch long. Hip Hop dancers showed their sweet moves as they gyrated to the pounding beats surrounded by a hundred cheering spectators. Welcome Back Barbeque was a blast and the first event of the year to showcase our Titan Spirit!!

golfteam

Golf season went by very quickly in the month of September with two tournaments. The Fort Saskatchewan invitational was held at Legends Golf Course on September 15th with our mixed team of Cole Chelle, Sean Heidebrecht, Ryan Bond and Abbey Gill winning the overall tournament, with Breanne Guhl and Cloe Olafson tying for third place. On September 22nd the zone finals were held in Stony Plain for the women who were represented by Abbey Gill, Breanne Guhl, Cloe Olafson and Jasmine Iverson-LaPlante. The woman's team did very well, capturing the silver medal. The same day, the men's team, represented by Cole Chelle, Sean Heidebrecht, Ryan Bond and Adam Morrow competed in Spruce Grove at the links, with Cole winning the silver medal.

crosscountry

This year's team had a very successful season with a very dedicated group of athletes. The team welcomed many new grade 10 athletes, and all team members competed hard at all races. Six Titans (Cole Peterson, Steven Song, Hailey Smith, Dominic Wong, Josh Bateman and Nicole Soderberg) qualified for the provincial championships in Wetaskwin, Alberta. A special congratulations to Nicole Soderberg, and Cole Peterson who finished 3rd at provincials; Cole Peterson was also the intermediate men's city champion. Thanks to all coaches and runners for another awesome season!

swimteam

The Titan Swim Team had over 120 registered swimmers competing in swim meets right through to the city finals on November 25th. This year we had several city champions who won gold medals in their events (or relays): Jennifer Morgan (2), Hunter Balch (3), Hayley Smith, Will Gartrell, Sarah Rintoul, Calvin Ho (2), and Sam Dhar (2). Special thanks to Alvin Lee, Dale Mhyre, Marion Kovac, and George Heidt, for all of their help throughout the season. A warm thank-you is extended to the Ainlay administration team for their support of the swim team. Congratulations to all the swimmers for making it such a great year! Coaches Brenna Maradyn and Victor Fung

seniorfootball

The Senior Football team had it's most successful season in decades. They finished undefeated in exhibition as well as league play on their way to their **1st city championship** in 14 years. The team qualified for provincials for the 1st time in 22 years. They fought hard and made it to the provincial semi-finals before losing that game by a mere 7 points. The team finished with a tier 1 provincial ranking of 4th. We are all proud of the sportsmanship and character this team displayed all season long. The coaching staff, players and fans all did their very best to make this a memorable year in Harry Ainlay's sports history.

juniorfootball

The Junior Football team had a very successful season. They finished 3rd overall in the regular season rankings and made it to the city finals after defeating a more experienced Spruce Grove Memorial team in the semi-finals. The city finals game was close throughout and the team never gave up their "Titan Football Spirit" from the beginning to end. This team may have been one of the least experienced teams in the league, but was the most improved by far, earning 2nd in City's. Thanks to the coaches, fans and players for such an excellent football season. Just wait until next year!

senior women volleyball

City Champions! & Provincial Champions!

The 2009 Senior Women's volleyball team had a dream season. Starting the year with high goals the team then set off to achieve them! The women won the gold in the TVT and Lindsay Thurber tournaments, won silver in the Panther Invitational and won bronze in the University of Alberta tournament. They went undefeated in league play and captured the City Championship. Armed with a ton of talent, unbreakable character and the passion to win, the team headed off to compete in the provincial championships in Lethbridge, Alberta. Once at the championships, the team continued to represent themselves and the school with pride and class. In an outstanding final, the Titan women won the 2009 4A Provincial Championship!! Congratulations on a tremendous season!!

senior men volleyball

The 2009 Senior Boys Volleyball team had only one starter returning from the previous year. They played well at the U of A tournament and gained confidence at the annual TVT tournament. The team started to hit its stride, at the Spruce Grove Tournament, strong play continued into the Lindsay Thurber tournament. The boys knocked off Scona and Spruce Grove en route to the city final. The defeat in the final to McNally was tough as they finished second in the city but still needed to qualify for provincials. The boys defeated Arch Bishop Jordan in three straight games. At Provincials the competition increased immensely and the Boys, ranked 11th, rose to the occasion knocking off the 7th place team in the playoff round of 16 teams. They ended as silver medalists in the quarter final. A top eight finish at provincials was how they finished, and for this young team that can only be considered a success.

junior women volleyball

City Champions!

The Junior Women's volleyball team was a very dynamic group of young women. They quickly became friends and learned throughout the season that success can only be achieved by teamwork. They attended many tournaments and finished silver medalists in Spruce Grove, Lindsay Thurber and at our own Junior TVT. The most exciting accomplishment was winning the gold medal in the City Championship match. The team went undefeated in league play. It was an outstanding finish to the season. Congratulations.

Back Row: Ms. P. Baker (Coach), Maddi Lakey, Kristen Balay, Harley Wallace, Susanna Smetaniuk, Victoria Sadler, Jessie Olsen, Danielle Goertz, Ms. K. McCready (Coach)

2009 City Champions!

junior *men* volleyball

The Jr. Men Volleyball Team had another successful season this year. The team participated in various tournaments across Alberta including Notre Dame (Red Deer), Spruce Grove, Lindsay Thurber (Red Deer) and of course our own TVT tournament. Despite finishing the regular season in second place, the team was able to battle through the play-offs to win their 4th consecutive city championship! Thanks to all the parents and volunteers who made this season such a success.

Back Row: Mr. C. Douglas (Coach), Mr. R. Flannigan (Coach), Nakul Shadagopal, Ahmed Abdelmoneim, Keith Gerdes, Austin Green, Noble Mallach, Josh Peters, Mr. A. Neilsen (Asst. Coach)

titanvolleyball tournament

For the past 30 years teams from all around Canada have come together to compete in the Titan Volleyball Tournament, TVT. TVT is a student run event. It requires an unbelievable amount of hard work and perseverance from the executive planning committee, volunteers and players. I would like to thank everyone on the planning committee; without you, this tournament wouldn't have come together and been as successful as it was. I would also like to thank the coaches, teams, staff advisors and countless volunteers for all their amazing support and commitment toward this year's TVT.

I would like to congratulate all the teams for their participation, devotion and enthusiasm in TVT 2009 - "Sets, Digs & Rock 'n' Roll. I would especially like to congratulate the Titan Senior Men for achieving the Consolation Championship and the Titan Senior Women for winning the Gold Medal; both Junior Titan Men's and Women's teams took home silver medals at JrTVT.

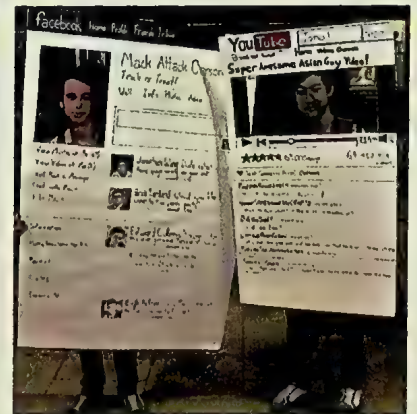

Jenna Kulka Student Chair

halloween *samhain*

Halloween has its roots way back in the ancient Celtic festival of Samhain (sow-an) meaning roughly "summer's end." In the 21st century at Ainlay we just think it's a great day to wear some pretty wild and scary outfits. Costumes ranged from simply dressing up fright-fully to awesomely extravagant fashions (YouTube and Facebook screens, anyone?). Not all of us went all-out for this event, but everyone took it as a fun opportunity to enjoy the day doing something different! Happy Halloween, Ainlay!

touch of class

Touch of Class brought winter inside this year! With the rotunda transformed into a "Frosty Fantasy", every Titan made an extraordinary effort to look stunning; ladies with their breathtaking dresses, and gents with their fancy suits. Musicians filled the rotunda, delicious snacks were served by remarkable volunteers, and cameras never stopped flashing. Everyone looked astonishing in their attire! Lookin' good, Titans!

Fiona Ko

dodgeball

Dodge Ball! The most competitive time of the year for both teachers and students. The month long tournament allowed the teams to show off their radical skills and their creative costumes. To end everything off with a splash, the top student and teacher teams fought each other in a hard-core, nail biting match that finished in overtime. Lunch hours exploded with excitement, enthusiasm, and lots of spirit. Next year, try not to kill the camera man!

alohaainlay

As a change from the previous years, this year Ainlay students enjoyed the Aloha Ainlay festivities without having it snow outside. It was the perfect day to be decked out in hula skirts and sunglasses to enjoy Pina Coladas and Strawberry Daiquiris. The rotunda was transformed into a tropical paradise and there were students enjoying the free drinks while summer music played in the background.

dramajane eyre play

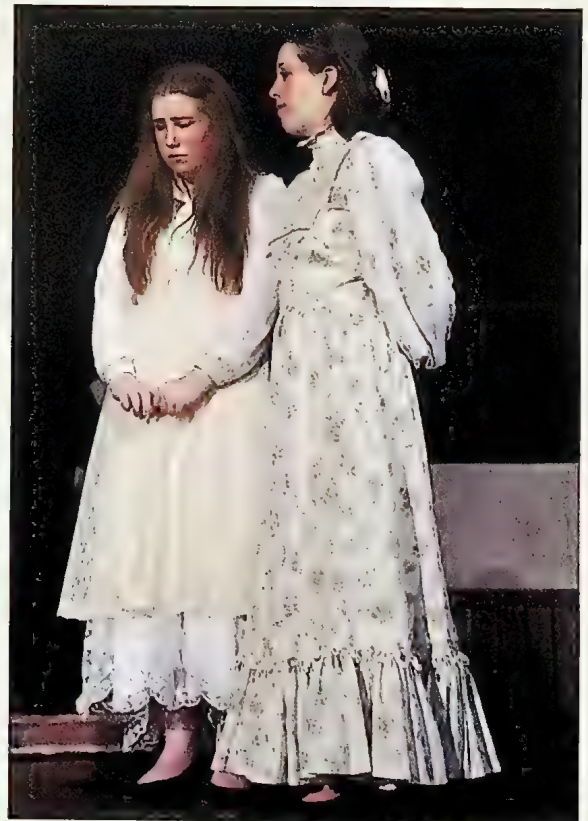

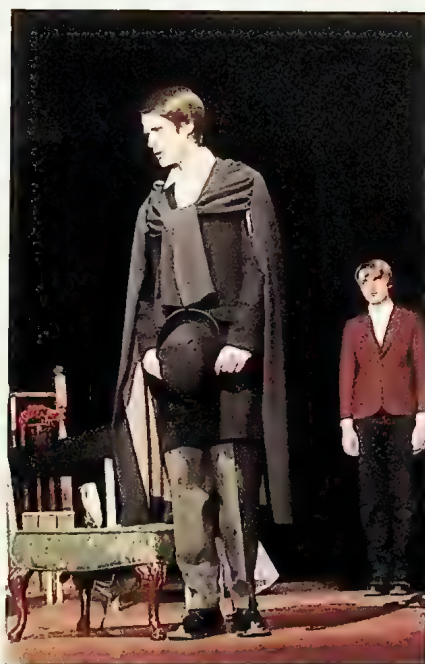

The Performing Arts Department's production of Charlotte

Bronte's JANE EYRE was a great success this year. It was a real team effort to put together the show; we had a cast of 43(!) and technical crew of over 35, with students taking leadership roles in various areas of production (technical, creation, wardrobe, etc.). Our production garnered 8 Cappies nominations for technical, performing and critic achievement.

Titans...

senior women basketball

City Champions and Provincial Champions. This year's senior women's team is considered to be one of the best high school teams in our province's history. With a 32 and 0 undefeated season this team was entertaining to watch as they worked their magic on the court! In the eyes of their opponents they were indeed true Titan Warriors who could not be beaten on the court. A special thank-you to the players who are graduating this year for your solid gold athleticism and character. For our players continuing on the team next year, we all look forward to another dynamic season.

Missing: Mrs. K. Marsh (coach), Mrs. T. Baker (coach)

senior *men* basketball

Early in the season the team set their sights on a berth at the 4a ASAA provincials and a serious run at the championship. After a 5th place finish in league, they hit the road to play all playoff games away. With some late game heroics the Titans came out on top in their first playoff game. Eventually it came down to a do or die scenario against Scona. Due to strong leadership play from the Grade 12's they came out victorious leading to a cross-over game against the O'Leary Spartans. One decisive victory later and the team was off to provincials.

junior women basketball

This year's edition of the Jr Women's basketball team was a focused and hard working group. We had a great trip to Victoria BC with the team coming in third place in a strong field. Our Jr. Women won the Consolation Championship at the Jasper Place REB tournament and won a silver medal at our own Tri-Prov tournament. In addition to great success in our tournaments the team showed outstanding character as representatives of our school. Congratulations to the players on a great season!

junior men basketball

The 2009/10 Junior Men's Basketball team was comprised of mainly new athletes to the basketball program with the exception of Talha Sultan and Werner Van der Merwe, who both provided needed leadership. The season consisted of 5 tournaments: Strathcona Invitational, Jasper Place REB Invitational (Bronze), our own Tri-Prov tournament (Bronze). The men finished 2nd in league play in a great city finals against Strathcona after beating out Ross Sheppard in the semifinals.

Back Row: Mr. R. Flannigan (asst. coach), Aundrey Webster, Corey Crowfoot, Werner Van der Merwe, Josh Peters, Tanner Hudson, Dylan Miller, Spencer Rolison (manager)
Front Row: Andy Hesketh, Michael Moore, Alberto Leon, Christopher Pennyfeather, Talha Sultan
Missing: Mr. D. Baker (coach), Mr. S. Pankiw (asst. coach)

triprov

Once again Ainlay hosted another amazing basketball tournament. An army of volunteers organized, decorated, performed, DJ'd, and even swept the floors to bring you this year's tournament. The opening ceremonies entertained us with skits, gymnastics, singers and dancers. Junior and Senior teams from across western Canada battled each other for the bragging rights of being #1. Once again Tri-Prov held it's rep as one of the most desired high school basketball tournaments with great entertainment and fast and furious play.

culturefest

From March 15th to 18th, Culture Fest dominated the rotunda with a wide variety of ethnic foods, performances and decorations as Harry Ainlay celebrated multiculturalism within our school. Brightly coloured fabrics and lanterns hung in the rotunda, reflecting this year's theme: Through the Kaleidoscope, and into Culture Fest! Mr Powell emceed lunchtime performances where Titans showed off their cultural talents through dancing and musical acts throughout the week. Highlights ranged from superb Punjabi and Bollywood dances, to a unique Russian folk song performance and ear-splitting Indian drums. Rae Chua performed a gravity-defying dance with water glasses balanced on her head to the amazement of the audience. Every day different foods from around the world were sold in the rotunda and profits from the sales went to support the Zebra Child Protection Center. The food was donated for Culture Fest by generous restaurants and individuals. Culture Fest demonstrates the true Titan character in our school, and it wouldn't be possible without the hard work of the student committee and supervising teachers who put in their time and effort to plan and organize this incredible event every year.

fashionshow

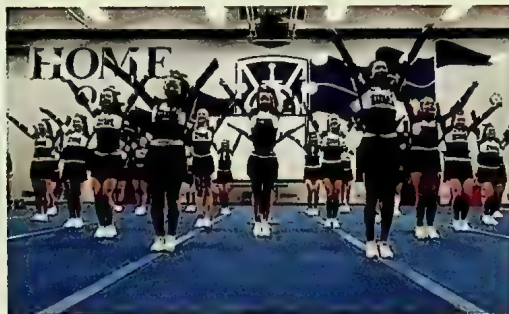

The 2010 Harry Ainlay Grad Fashion Show and Silent Auction was a huge success. The Midnight in Manhattan themed show featured trendy seasonal fashions modeled by our very own graduating students. This year's show also included unique designs created by two of Ainlay's talented student designers: Gillian Bird and Zach Ward. The evening raised a grand total of \$2900!! The show couldn't have happened without the hard work and dedication of the Grad Fashion Show committee, the Grad committee, the models and countless volunteers!

cheerteam

The Titan Cheer team is made up of a group of 25 female athletes in grades 10 - 12. Prior to the competitive season the team attends all senior football games and performs in the opening ceremonies of both TVT and Tri Prov. The Titans competed in four competitions this year including Victoria Redmen Invitational, ASAA zone championships, ASAA provincials; in which they won for the 10th consecutive year to continue the legacy, and than the Titans ended there season with a PERFECT routine at the ACA WEM championships. It was an undefeated year this year as the girls brought home the gold in all competitions they attended. They work hard, enjoy great friendships and are proud to represent Harry Ainlay.

indoor soccer

The Indoor Soccer team had a solid season with notable performances from many veteran players and first year players. Ryan Bond, Rudy Alami, Amy Hans, and Jenny Mark helped carry the team into a playoff match against the eventual champions. New additions like Harjot Malhi and Arjun Dhiman made a strong impact in the league and will be part of a strong future for our soccer program. A special thanks goes out to Chantal Smith and Andrea Murrele who battled through injury during the season but contributed greatly with their skill, experience and determination. Coach Hernandez would also like to thank all those grade twelve players who played their final Indoor matches for Ainlay. Good luck with all your future soccer endeavors.

grecetrip

Over spring break, thirty-six Ainlay students, along with Mr. Heidt, Mr. Mazur, and Ms. Carmichael, took a flight overseas to discover the secrets of ancient Greece. We began in Athens, where we visited the Parthenon, walked up to the highest point in the city, discovered we had the best tour guide in the country, and began our love affair with gelato. After a day of island hopping through the Aegean Sea, we travelled to Delphi, the site of the ancient Oracle of Delphi and learned all about Oedipus the King. Next stop was Olympia, where the students and teachers raced each other on the track at the site of the first Olympic Games. The next day, needing to expend a bit more energy, we walked up the legendary 999 steps to an old Venetian fort in Nafplion, enjoyed lunch at a beautiful restaurant in Mycenae, and picked and ate oranges straight off of the trees in the tour guide's orchard. Before heading back to Athens, we spent some time in Rhodes where we rode donkeys, watched Easter celebrations, and danced the night away with some Greek folk dancers. By the end of the trip, along with learning much about the birthplace of democracy and the myths that inspired and influenced great pieces of literature, we learned that the greatest secrets of ancient Greece are these: a great tour guide is the key to a great trip, one can never have too much gelato, a scarf should always match one's eyes, and, finally, one's hands should always be washed prior to enjoying the Greek salad.

yamateexchange

27 students from Yamate Gakuin High School in Yokohama, Japan visited Harry Ainlay for 2 weeks in April, 2010. They provided us with great opportunities for wonderful cultural exchanges during their stay. In July, 23 Ainlay students will be traveling to Yokohama for 2 weeks on the return visit.

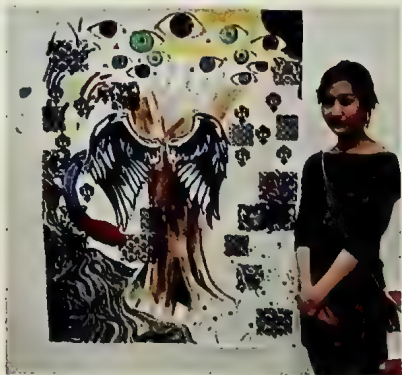

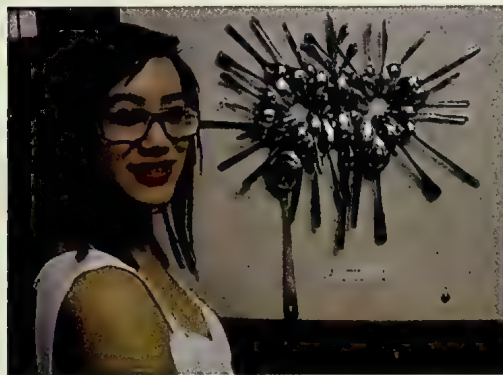

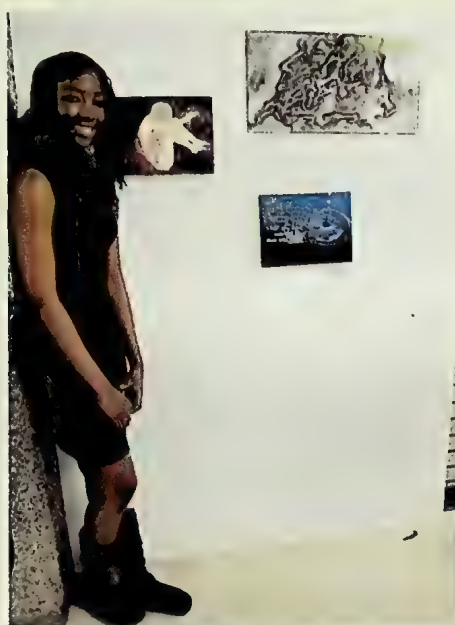

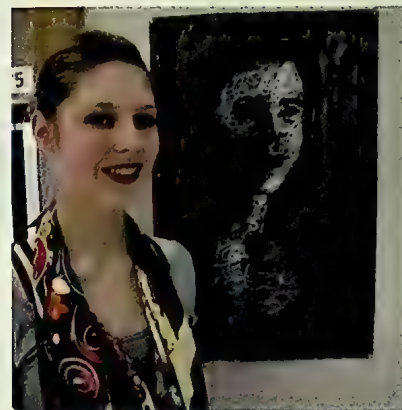

bandtour

Concert Choir, Concert Band and Symphonic Band travelled to Vancouver in April of this year to participate in a festival in New Westminster, performances, and clinics at the University of British Columbia with members of the UBC faculty. In addition to the musical aspect of the trip, students visited the Vancouver Aquarium, the Greenheart Canopy Walkway, the UBC Botanical Gardens, Granville Island, and Stanley Park. On Saturday evening the Music Department chartered the Pride of Vancouver for a four hour dinner and cruise that featured a spectacular sunset view of the Vancouver harbor and the ever-changing Vancouver skyline. In spite of long bus rides to and from Vancouver, the students had a fantastic time. Concert Band and Symphonic Band both received GOLD awards at the festival and have been invited to attend MusicFest Canada in 2011.

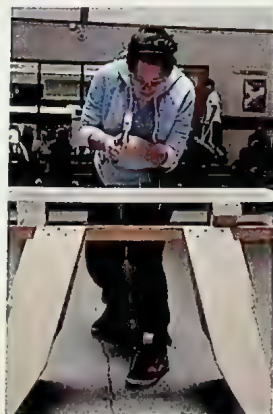

ibartshow

The 33rd IB Art show was held in Ainsley's art gallery on April 9th. Congratulations to all of the artists: Cheri Bastien, Mariah Chan, Maren Elliott, Janie Hao, Calvin Ho, Ki Eun Jun, Liz Kim, Hye Seung Lee, Shauna Reagan, Gwen Rudosky, Jessica Wu, Kim Wu, who have provided us with a peak at their ideas, creativity and vision.

ctsweek

Cts week was a slimmed down version of it's former self this year. Two major events were held this year for cts week. Nail driving as usual was a great success with numerous rotunda audience members coming out to try their hand at whacking nails into a board as quickly as they could. Contestants were given a chocolate bar after the event to restore their strength. The next event was a muffin decorating fundraiser that generated around \$200 for the Youth Emergency Shelter. For 50 cents students received a muffin and lots and lots of icing in a variety of colours seldom found in nature. Tasty and a burst of energy for period 3. CTS includes welding, carpentry, foods, automotive, architecture, cosmetology, photography and digital design.

ainlayhandball

Harry Ainlay ran four handball teams this year. This made us the only High School in Alberta to have a fully developed senior and junior system. Our Junior Women were the first ever Edmonton Public Tier II Champions and our Junior Men were silver medalists. Our Senior Women's Team finished second in the province and played their hearts out to get there. The Senior Men's team earned a Bronze at City's but had an uphill challenge at provincials. Team Handball at Ainlay organized the first ever Harry Ainlay Handball Cup and hosted the first ever ASAA Provincial Handball Tournament. As a group the athletes and coaches are very proud of their accomplishments this season and look forward to a dynamic season next year.

wrestling This past wrestling season was very successful. The athletes worked hard all year, and 7 of Ainlay's finest qualified for Provincials in Calgary. Congratulations to all of our Athletes who gave it their all, and a special congratulations to Joanne Smith who had the best season of her career. She won a gold medal at Cities, and then fought her way to a 5th place finish at Provincials. Your coaches are very proud of all of you. Way to go guys!

battle of the bands

In this our 17th year, the audience was treated to seven of Ainlay's "rock and roll" bands. The talent was the best in recent years with Paperplanes And Dragonboats (Sarah Grieve, Andrew MacDonald, Jonathan Kawchuk, Michael Kawchuk) were the eventual winners, edging out Universal Odds (Ian Stuart, Ryan Snow, Warren Wheeler) who placed a close second. Thanks, as usual, to Axe Music for completely handling the technical side including the use of over \$500,000 worth of equipment.

skillscanada

Best described as the Olympics of Trade and Technology, the Skills Competition allows young people to represent their school in a competition representing a wide variety of trade and technological events. The Skills Competition is an event held at regional, provincial, national and international levels. This year's competition was held at the Northlands Agricom. There were 25 Harry Ainlay students competing in the following areas: Auto Service, Baking, Culinary Arts, Cabinet Making, Carpentry, Electrical Wiring, Mechanical CADD, Architectural CADD, IT Network Support, Hairstyling, Prepared Speech, Robotics, Welding, Women's Apparel Design, 2D Animation, and TV Video Production. The students rose to the challenge, competing in events that lasted up to 14 hours over two days. At the provincial Competition in Architectural Design Sami Donaldson won Gold Medal and Drew Miller won the Silver Medal. Sebastian Sauvé-Hoover won Gold in Mechanical CADD, Mike Noel won the Silver in Mechanical CADD, and Jordan Smale won Bronze in Mechanical CADD. Robby Donaldson won the Bronze Medal in Electrical Wiring. Kevin Lau won the Gold in IT Network Support.

Sebastian Sauvé-Hoover went on to win Silver at the National Skills Event, Sami Donaldson Won Silver at Nationals and Kevin Lau won Bronze at the National Competition that was held in Waterloo Ontario.

womensrugby

Rugby is a game that requires speed, endurance, and strength - the 2010 Harry Ainlay Women's Rugby Team displayed all four. They had a quick training season, and an even shorter season of league play. They endured the elements - wind, rain, snow, and fog, and then fought on to endure the pain that comes from taking down the enemy. The team showed strength as they broke through tackles, drove the opponent back, and as they stayed positive even when behind in a game. Most importantly, during this season, these individuals came together to form a solid unit - a team that quickly learned to work together, lead each other, and stand strong together. Their hard work culminated in an excellent team effort in their semi-final game. Great job, ladies!

mensrugby

The 2010 Season was a very successful campaign. With a heavy mixture of experienced players and inexperienced players, the team grew together more and more through until the very end of the season. We improved greatly as the year went on and developed into a playoff caliber team near the end of the year. It was a great year and the motto of our team fit us perfectly... When it's too tough for them, it's just right for us.

senior women soccer

For the fourth year, the team returned to the University of Victoria Invitational tournament. Titans faced provincially top-ranked teams and proved to be a storm of women warriors who "put the puck in the net" and made it into playoffs. Special thanks to our veteran players of 3 years for setting the mark as power players. To those continuing next year, 2011, will be our year to unleash the wrath of the Titans.

senior men soccer

The Titans battled through a difficult regular season, finishing 3rd. Season highlights included a four game undefeated run, a league leading 12 goals against in 9 games, and a 4-1 thrashing of the eventual league champions. Coach Hernandez would like to thank this year's veteran players for their contribution to our team. We look forward to a strong season in 2011 with a strong core of returning players.

junior men soccer

At the outset of the year, the team set and met the goal of consistent individual and team defensive play. The team finished third in league play and made it to semi-finals. The boys showed flashes of high-end skill throughout the season exemplifying what it means to be a Titan. The foundation has been laid for a dynamic and battle hardened team next year.

outdoortrack

The Titans Track & Field team started off the indoor season with the Edmonton Journal Games where the girls relay team finished fourth while the boys spectacular performance, leading from start to finish winning the gold medal. As the snow melted in April, the outdoor team consisted of 65 athletes and 3 coaches this year; Mr. J. Kistenkas, Mr. N.Mazur & Mr. P. Powell. Titans did very well this season, finishing in 3rd place in cities and 10th place in the provincial championships. Provincials highlights came from: Cole Peterson - gold in the intermediate men's 800m (provincial record) and 1500m, Nicole Soderberg - gold - senior women's 800 m and silver in the 1500 m, and Ben Williams - silver in senior men's LJ and 100m. A great season Titans.

waterpolo

With an overall record of 6-2-1, this year's Water Polo team earned a bronze medal. Due to our commitment and hard work, the team became stronger, more mature and more skilled. As many of the members will be returning next year, Titans Water Polo is poised for big things next season.

badmintonteam

Ainlay's badminton team remained undefeated during all league play matches and went on to capture their fifth consecutive City Championship title and four provincial medals. Special congratulations to provincial gold medalist Rylee Ossterhuis and provincial bronze medalists Calvin Ho, Jack Lu, and Kenneth Zhou. Way to go Titans!

Harry Ainlay hosted the 26th annual Alberta Student Leadership Conference from May 30, 2010-June 1, 2010 "Oh, the Places You'll Go!" and oh the places we went! 600 delegates and advisors from 48 schools across Alberta arrived for an unforgettable conference. Within our own walls, a team of over 170 students and staff worked very hard to make the 2010 ASLC the best ever. We kicked off at Harry Ainlay for registration where there was everything from sumosuits to cotton candy. The opening ceremonies started our conference with a bang, and the excitement never stopped. At the Dinwoodie Lounge the day ended with the annual ASLC dance. The next day we did workshops with Rick Matishak's MGI group in a three part workshop called "The Journey." Afterward, the delegates headed to the West Edmonton Mall Waterpark. On the final day, the students participated in student round tables where they shared the events that happen in their own schools. The conference concluded at our closing ceremonies in the Myer Horowitz theatre. We had a glow-in-the-dark drumline and Ainlay's CT dance crew. By the end, spirits were high and the smiles were wide.

ainlayimprov

Our Improv Troupe participated in the Wildfire Improvisation Festival in February. The Senior Team placed 3rd in the Nosebowl and won Silver in the Canadian Improv Games tournament. As second in the province, they won the privilege to attend the National CIG Tournament in Ottawa at the end of March! After much fundraising, the students attended workshops and performances for a week, learned lots and had great fun performing. The Finals were even filmed by webcam! Our weekly in school lunch hour performances drew strong crowds. The Junior Improv Teams - ("Black" and "White") joined in on the lunch shows as well. A special thanks to Jolene Ballendine, former Ainlay grad, for coaching the team for the 3rd year in a row!

msbiketour150

On the weekend of June 12 and 13, 2010, Harry Ainlay's very own MS 150 Bike Tour Team, Glen's Titans Never Tire, rode more than 180 km in support of the Multiple Sclerosis Society of Canada. The team consisted of 28 current Ainlay students, 4 Ainlay alumni, 3 teachers and 4 friends and relatives. As a group, GTNT (named after the father of one of the Ainlay staff members, who died of MS in 2009) raised more than \$37 000 for MS research – what an astounding accomplishment! In just two years, GTNT has brought in almost \$60 000!

Team members rode alongside 1800 other cyclists from Nisku to Camrose and back, camping at the Camrose Fair Grounds overnight. They were so enthusiastic that they were honored with the prestigious Best Team Spirit Award by the MS Society. The weather was wonderful and great fun was had by all. Sore muscles and sun tans alongside the satisfaction at a job well done meant that this was an experience that will not soon be forgotten by team members – many of whom plan to make this an annual event.

Ainlay Students involved: Caitlin Bailer, Kujtesa Beka, Quinn Candler, Dipon Dasgupta, Thomas Dennehy, Lianna Gendall, Deanna Halls, Jack Hong, Krismina La, Hye Seung Lee, Winney Li, Taylor Lloyd, Nicole McRorie, Alex Miller, Jenn Onyschuk, David Reid, Carissa Rysko, Jerome Satkunam, David Sawyer, Beverly See, Brittany Smelquist, Koy Valdez- Bettcher, Sietske van der Heide, Jenny Wang, Matthew Woo, Anthony Wu, Keyna Young, and Helena Zeng. Ainlay Staff involved includes: Mr. Gosse, Mr. Lavold and Mrs. Rahmani. There were also returning Titan Alumni who joined the team this year who includes: Qendresa Beka, Peter Lore, Andrew Mulcair, and Sue van Nispen.

remembranceday

Remembrance Day – also known as Poppy Day, commemorates the sacrifices of members of the armed forces and of civilians in times of war specifically since the First World War. It is observed on 11 November to recall the end of World War I on that date in 1918 (major hostilities of World War I were formally ended "at the 11th hour of the 11th day of the 11th month" of 1918 with the German signing of the Armistice. Ainlay's remembrance ceremony included veterans, military personnel, students and staff showing their respect.

Over our three years at Ainlay we have each grown as individuals and learned an immense amount about ourselves. High school has molded us into the young people we were destined to become. It is time to free fall into the unknown, and face every obstacle, challenge, and new beginning that we encountered. Now it is time to embrace our future and remember that our journey of a lifetime is just beginning!

Our past three years at Ainlay has been a journey in itself. It is hard to believe that our high school experience has consumed one sixth of our lives. We have leaned upon our family, teachers, and friends for their support in our quest to reach the goals that we have set for ourselves. For that support, we will be forever thankful. We have all struggled at times with exams, sacrificed our social lives to complete homework assignments, helped friends in times of need, and searched for the time to include extra-curricular activities into our busy schedules. As difficult as it all seemed at times, the journey was certainly memorable. The wonderful thing about

closing this chapter in our lives is that it provides an opportunity to open a new one. Harry Ainlay has moulded us into young men and women and has assisted us in developing our characters. My hope is that our time spent here has prepared us to embrace our future, and face oncoming obstacles with confidence, secure in the knowledge that we have expanded our horizons. With these new-found skills, and experiences we will be able to empower others to do the same. We have all earned tonight's celebration for our accomplishments. It has been my pleasure to serve as your president, and I wish you all success in your future endeavours.

"Welcome to wherever you are, This is your life, you made it this far, Welcome, you gotta believe, That right here right now, you're exactly where you're supposed to be, Welcome, to wherever you are" ~ Bon Jovi ~

Congratulations Graduating Class of 2010. May your Journey of a Lifetime lead you in the direction of your dreams.

Jenna Kulka,
 Graduation President 2010

Trustee Mrs. C. Ripley

Graduands – soon to be graduates – family members, Principal Jones, and staff, it is an honour to be a tiny part of this celebration tonight, which marks one important milestone in your "Journey of a Lifetime." On behalf of my colleagues on the Board of Trustees, it is also my very real pleasure to bring greetings and good wishes to you – a remarkable group of young people who are now leaving the halls of Harry Ainlay ... to lead good productive lives as adults and to change the world for the better. During the last three years you have inspired your teachers, parents, and the school district with your accomplishments and great school spirit both inside and outside the classroom. Thank you. It makes us hopeful for the future. For example, I understand that those of you who are athletically inclined have played hard this year, and many of your different sports teams have won championships, including your badminton, senior football, and senior women's volleyball and basketball teams. Congratulations. You have also exercised your compassion and caring in significant ways, both locally and globally. To name a few...you raised close to \$14,000 in the 'Change for Change' event in

support of Haiti as well as supporting the building of a school in Sierra Leone. You supported local charities, including the Youth Emergency Shelter, Edmonton Food Bank, and the Zebra Protection Society, and the list goes on. In addition to showing your athletic abilities and your strong social conscience, you've demonstrated high levels of academic achievement in the broad range of subjects offered by Harry Ainlay from CTS courses to Calculus to Theatre Arts. And I understand that some of you have earned impressive academic scholarships as well as contributing toward the success of your school's IB program. Harry Ainlay granted its first IB diplomas in 1984, and you've now passed the 1000th diploma milestone. That's amazing! It has been a stellar year on all fronts and you should be proud of yourselves. Certainly, the Board is proud! This year the Board is also proud of an initiative titled GO PUBLIC in which we are celebrating the power of public education. Public education is the foundation of the democratic society that we cherish in Canada, and its power resides in you... our students and graduates. You are the product of this community undertaking that Edmontonians have been supporting since 1881. We – the community – have invested in you, and indeed, you are our hope. You are the new generation of leaders who will achieve the just, prosperous, and innovative world we all want to live in. Thanks to the time you have spent in public school with excellent teachers, educational assistants, support staff, custodians, and other staff, all of whom have pushed and inspired you to do your best, I trust that you are well prepared to contribute your unique talents, skills, and gifts to creating that better world.

I also trust that you are well prepared to keep on learning so that you can adapt to whatever the quickly changing world brings to you. Thanks to the time you have spent learning, laughing, and taking risks within a school system that is 100% inclusive and accepting of all students who come through the door, I trust you are well prepared to respectfully join with others in creating that better world, to adapt together in the face of change. Finally, thanks to the love and support of your friends and family, I trust that you are confident in your ability to actively shape your life, to be resilient when things don't turn out quite the way you planned, to forge ahead joyfully with your dreams. Regardless of what is immediately next in your "Journey of a Lifetime" – whether you are off to a trade apprenticeship, a university or college, to a career overseas or a job downtown, or maybe an interesting volunteer opportunity – and regardless of what lies ten, twenty or thirty years down the road, I hope you will be proud of your roots in public education. I hope you will build on all the lessons you learned here in public school and always remember the Ainlay motto – "excellence in all things" My sincere and heartfelt congratulations to each and every one of you tonight on this milestone of graduation from our public education system. GO PUBLIC! GO AINLAY GRADS! I look forward to a bright future and a better world as a result of your class's collective "Journey of a Lifetime."

Guest Speaker Mrs. C. Hudec

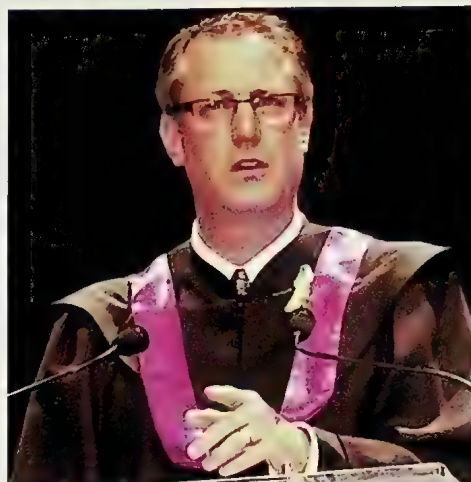

Welcome graduating class of 2010, you are here: what an accomplishment! So where is here, exactly? Seat C32, the Jubilee Auditorium, Edmonton, Earth? Honestly, this question intrigues me as much as it does you. While walking through Ainlay's hallways once again, I was most impressed with how thoughtful you have become. Of course there is playfulness, but it is evident that you have all been asking this question as well, that you are searching for purpose. What is the best you? What are your gifts? How can you use them? Here's how Hudec sees it. People and the relationships you build are your greatest investment. This was so apparent as I posed this question and you reflected on your families, looked to your friends for guidance, and celebrated your role in the Titan family. I'm not going to lie to ya, some of you had nothin'. But take a look around you – it's these people who will continue to help you find your way. These are the people who have invested in you. Do everything you can to keep these investments vibrant and growing. You, too, will have opportunities to be a supporting guide to those you've invested in. In essence this is what means to be human – giving of yourself. Being aware of who you are is most relevant when you use that knowledge to impact those around you for good. So really WHO you are is far more important than WHERE you are. It's easy to think about the future and get caught up on the specifics of: where am I going to university, what is my career choice, and in how many years will I own this, buy this, accomplish this? Know that you will always be where you need to be if you remember to give of yourself. Now it is your turn. I am so very proud of you. As are your parents, your friends, your mentors, your teachers. We have all invested in you because we know the great potential you have to impact this world in a positive way. I want you think about who you are and who you want to be. As Shakespeare said To thine own self be true. You are on YOUR journey of a lifetime. Know yourself. Be in the moment. Invest in people. This is your time. You are here. Go and be great.

It is my privilege, as principal of Harry Ainlay High School, to welcome you to the graduation commencement ceremony for the Harry Ainlay Class of 2010. Tonight is a special evening because we gather together in this room to celebrate the success of these young women and men. Their successes would not be possible without the encouragement, love and support they received along the way from all of you parents/guardians, step-parents and siblings. The families here tonight richly deserve the pride they feel in the graduates. Along with your families I also commend the dedication and commitment of my excellent teaching staff at Harry Ainlay. Graduates, most of us do not tell our families and teachers often enough how important they are. I want to do that at this time. On behalf of the graduates, let me say to their families and teachers: We're proud of you! We're grateful to you and we appreciate all that you do! Graduates, I would ask you to give a round of applause to your loving, kind and considerate families and our outstanding Harry Ainlay staff. WOW! Harry Ainlay has much to celebrate tonight!

We have a music student that has been accepted to one of the premier jazz schools in the United States. Not only is this an outstanding accomplishment for a student right out of high school but he is considered to be one of the top prospects of all the first year students entering the program. We have students graduating who are the first ones in their family to receive a high school diploma. We have graduates here tonight who captured a bronze and a silver medal at the National Skills competition in Waterloo, Ontario. We have 2 sisters who are going to receive full athletic scholarships to American universities next year and I'm sure will represent Canada in the Olympics. We have a student diagnosed with a learning disability in elementary school and after 9 years without support, she is graduating tonight and has received entrance into the Bachelor of Education program at Kings University College. We have a fellow graduate who has overcome severe family hardships, including debilitation illness within the family unit, who is here tonight walking the stage. We also have a young lady, a refugee from Somalia, who came to Canada with her mom and 9 brothers and sisters, and bravely continued her studies when her mom passed away. She has earned a high school diploma and will attend the University of Alberta next year. Everyone has a personal story that has lead them here tonight. No matter what path you have travelled in the last 12 years, whether it was bumpy or smooth, you are here and you are to be congratulated.

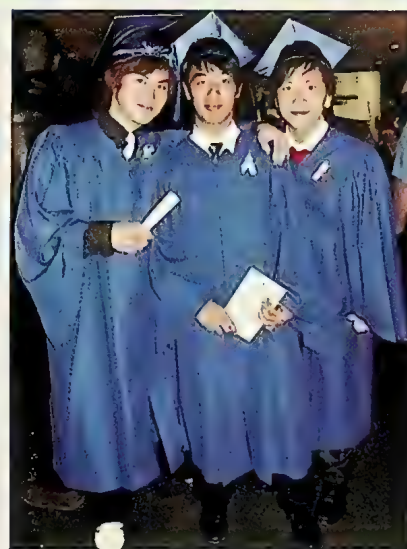

Principal Mr. D. Jones

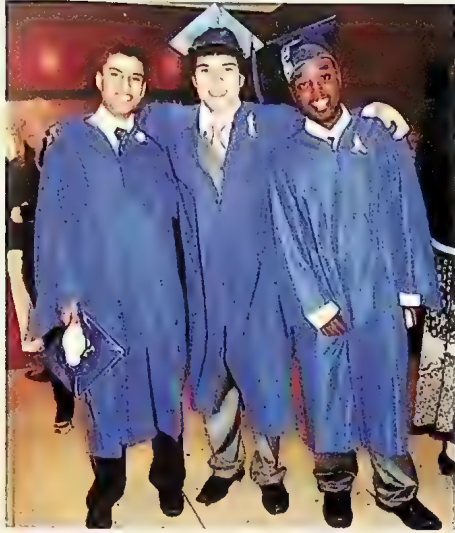

Lastly, I would like to end with a story and this story is about the legend of the gown and the cap that you are wearing tonight. Long ago in ancient Greece, when formal education was for the very rich, a wise old teacher was approached by a group of noblemen. "Our sons have completed their studies and it is time for them to return to their homes and live in the style befitting their station. On the morrow we will hold a great banquet in their honour and expect them to be dressed in their finest garments." The old man smiling answered "They will be there" and he added "Appropriately dressed." The following day the banquet hall was filled with royalty and nobility dressed in dazzling jewels and costly finery. Then came the great moment when the students entered with their beloved teacher. A startled cry arose from the crowd for here were their young men dressed, NOT in the garments of the noble, but in simple sackcloth robes, each carrying a mortar board, the mark of a common workman. "Let me explain," spoke the teacher as he raised his hand for silence. "Your sons are dressed in the clothing of the mason for their destiny is to build. Some will build cities, some will build lives. Perhaps one of them may even build an empire. But all will be builders on the solid foundation of knowledge." And therefore over the years, the cap, or mortar boards, and the gown have become a traditional part of graduation symbolizing the fact that you, our young men and women, are builders of your future and the future of our world. On the cap or mortarboard that you wear today you also have a tassel which after graduation has always been symbolically moved, from one side to the other, to indicate entry into society as graduates. I wish you good health and happiness. Strive to inspire others and achieve your personal best. Congratulations and good luck to you all!

commencement

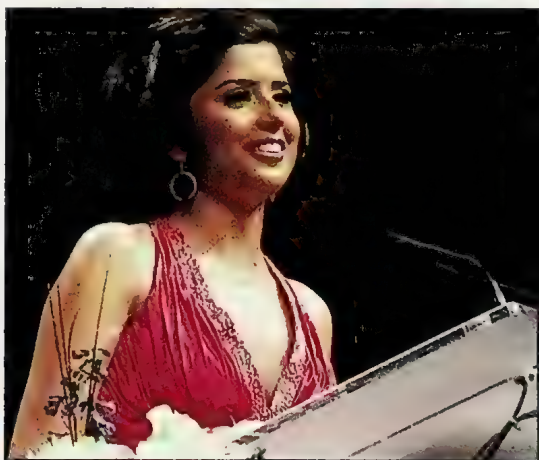

The 2010 Harry Ainlay Commencement & Awards Ceremony was held on Friday May 28, 2010 at the Northern Alberta Jubilee Auditorium. This extraordinary evening consisted of brilliant performances for our graduates, their families and guests. Good luck to the Harry Ainlay Graduating Class of 2010 in all your future endeavours. May your 'Journey of a Lifetime' take you where you want to go!

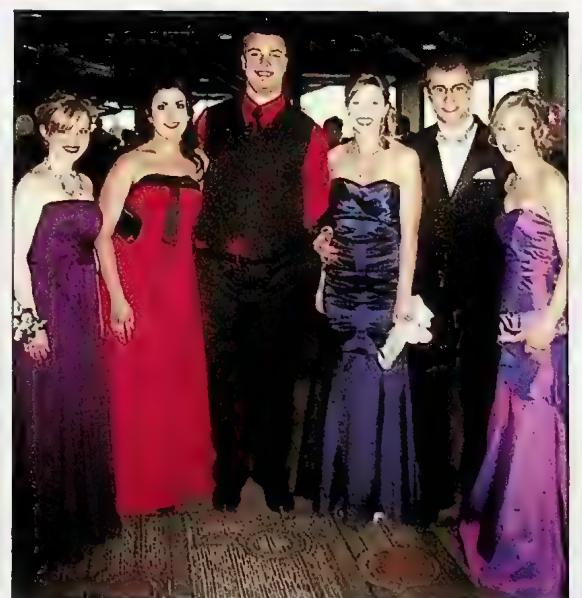

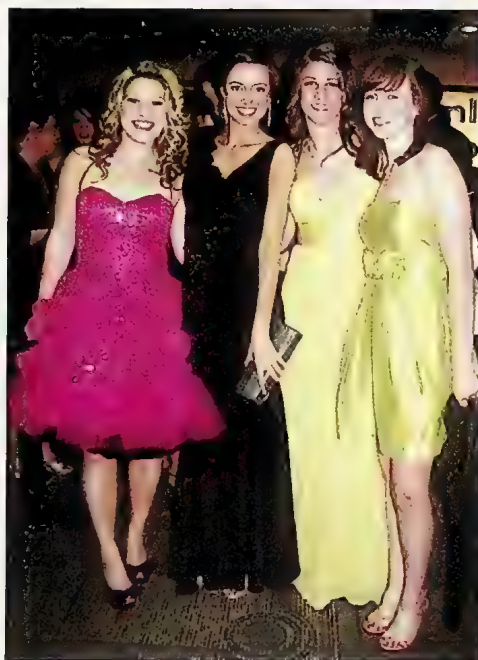

graduationbanquet

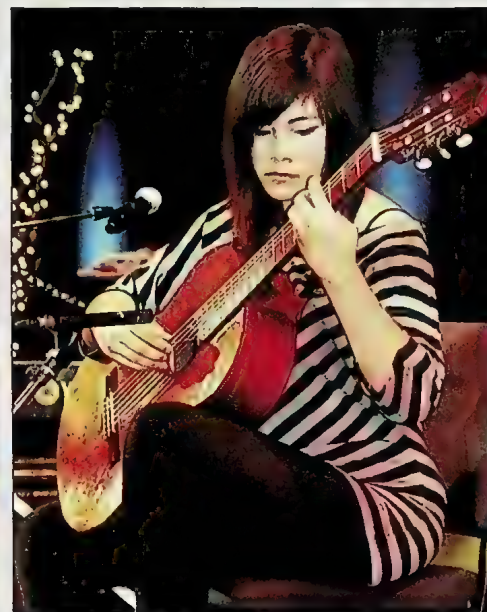

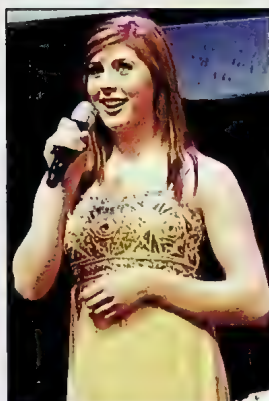

On May 29, 2010 Harry Ainlay Graduates, friends, family, and staff gathered together to celebrate the conclusion of a three year journey that transformed skittish Grade 10's into shining adults. The day was full of festivities as many Titans, braving the rain and snow, dressed in their finest attire toured the city in limos and took pictures with friends and family. As the Banquet drew nearer graduands began to congregate near the entrance to the Hall, in the Shaw Conference Center waiting with anticipation for the night ahead. The doors opened and the crowd filed into the Hall decorated beautifully in silver, blue and black balloons, with the front wall elegantly covered in clear balloons backlit in Titan blue. The program began with the entrance and introduction of the head table consisting of the 2010 Graduation Executive. Mack Carson came forward to present the "Toast to the Parents", thanking parents for loving and supporting us through everything in the past eighteen years. His mother, Mrs. Carson, gave a passionate reply touching on the challenges for a parent when confronted with a graduate's new-found independence. Next, our 2009-2010 Student Council President, Berneta Randhawa, presented the "Toast to the Staff" appreciating all the hard work the Staff has put in to ensure we can walk away from Harry Ainlay being the best we could possibly can be. She also thanked the staff for always encouraging us to succeed and follow our dreams. Mr. Parasynchuk replied to the toast, sharing how proud the staff is of all of the hard work Ainlay students have put into their academics, athletics, and the arts. Before dinner was served Grace Crosby gave a blessing thanking all the family, friends, and staff who have supported us throughout high school. The meal was then served beginning with a fresh salad, followed by a hearty chicken dinner served with sour cream and chive potatoes. The three course dinner was completed with a delicious chocolate dessert. After the meal, Jill Agopsowicz's brilliant rendition of Barbra Streisand's "Don't Rain on My Parade" drew all eyes back to the stage. Secretary Treasurer and Banquet Assistants Christie Roethlingshoefer and Drew Miller presented Mr. Jones with the Class of 2010's gift to the school, which is a contribution towards enhancing the green area by the northeast parking lot; the Titan Shield that was unveiled at Commencement; and a contribution towards the Merit Scholarship. The teacher advisors, parents, and staff were thanked once again as the program came to a close and the dance began. Fathers and daughters, and mothers and sons were invited to have the first dance to our graduation theme song, "Welcome to Wherever You Are," by Bon Jovi. Guests were invited to stay and dance until midnight giving us all an opportunity to look back on the fond memories of the past three years, and to think ahead about the different paths of our futures, as we continue on our, "Journey of a Lifetime". I wish the best for every single graduate; it is time to show the world what Titans can do.

Ainlay's got talent! This year singers and musicians stepped up on stage and wowed us during commencement ceremonies and the graduation banquet with their fantastic performances. What a pleasure to see our own peers up their on stage showcasing their musicality and vocal talents. Thank-you to all of our performers for adding the joyful sound of music to our ceremonies.

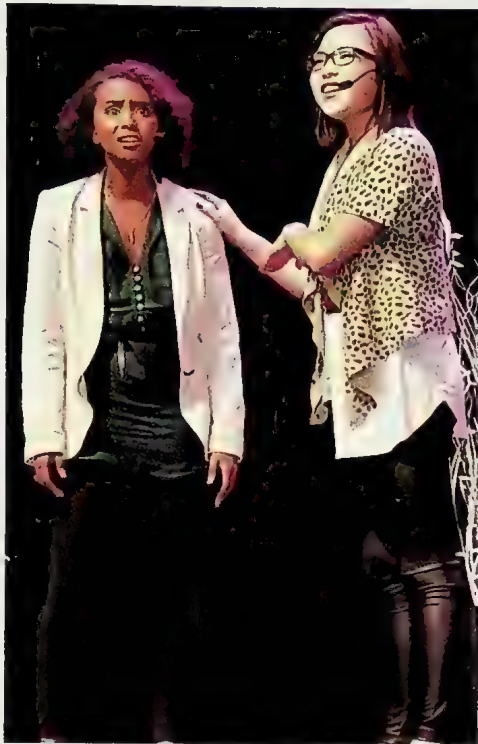

valedictorianaddress-stephaniebohaichuk

Good evening. I'll open with two platitudes: Go and reach for your dreams. Take every chance and every opportunity you have to make your life and the world a better place. The words paint a glorious, but untrue picture. For example, I have no idea what my dreams are. And often, it's not possible to take every opportunity you get. Sometimes you have to choose. So, the perfect picture the motivational clichés paint is hardly realistic. They suggest that your life will be yours. That you can do whatever you want. That you are free to enjoy your life. But the reality is - you don't always get to do that. There will be difficulties. Your choices do not, and will not, involve only you. You matter to people and people matter to you. You have a responsibility for your life and for society. Sometimes you will have to act for the sake of others, and not yourself. Enjoy your life, but make good choices and don't forget others in those choices. You don't need your life all planned out. It's alright to be uncertain. Does that mean you shouldn't aspire for anything, or have dreams? Absolutely not! Our lives have a direction, though we might see it only in hindsight. You have to want to go somewhere with your life, even if you don't know where because, while we may part here, one day we are going to end up at some point where we look back over our lives. It will be similar to when the weekend is over and you ask yourself what you did. I sometimes have to ask myself why my weekend was so uneventful that I can't remember it. Don't make your life resemble an unremarkable weekend which you cannot recall. You want something to remember, something that you accomplished, something to feel proud of later. Take enough chances and opportunities so that this something exists, so that your good memories outnumber your regrets. Some say that high school was the best time of their lives. I hope it won't be for you. You have decades in which to try to make every moment better than the last. Unfortunately, you will have to think on occasion. Challenges are inevitable, but face them well, and they will be over with soon enough. And yes, learning can be done outside of a school. Relax and take opportunities where you can. Celebrate what you have finished and the friends you have made. Do not forget them. Let the memory of graduation be one of those accomplishments and good times that you fondly look back on, but let it not be the only good memory or accomplishment that you will have. Wake up and get on with your life class of 2010! Thank you. Goodnight.

gradhistorians-nimoomar&katherineshimazaki

N:Hi! For those of you who don't know me, my name is Nimoomar.

K: And I'm Katherine Shimazaki. We're your grad historians and we want to take a look back at our three fantastic years at Ainlay.

N:Oh my gosh, Katherine, you know that one clip of me when we were doing the jump thing? Did I look good? I mean, did I look fat or something?

K:No, not at all. You looked great!

N:Okay, good, because I practised that jump in my room just to make it look fierce and yet hawt. How's my hair?

K:What? Oh, it's great. I think we all look amazing tonight! (Both check out the crowd, especially the grads. Nod approvingly.)

N:Did you notice how fine the guys looked before they put on their gowns tonight?

K:Yes, I did.

N:Did you see that guy in the burnt mahogany with tinted grey suit?

K:You noticed him too? He looks really good tonight.

N:I've never seen his shirt tucked into his pants...His pants are usually somewhere around his knees.

K:(Looks down at her casual attire) Oh no, Nimoo! I feel really out of place. I look so bad! Stress level is increasing. I haven't felt this stressed since my IB oral commentaries!

N:I actually think you look pretty good tonight. Just calm down, Katherine.

K:Anyway...Remember when we had that dunking competition?

N:Yeah, with Jordan Baker and Roderick. I don't think I sat down for the whole time. It was so sick!

K:They really made TriProv so exciting!

N:Well, it was more the spirit of the school because everyone gets so pumped and into TriProv and TVT, you know?

K:Yeah, because sitting on the bleachers watching our athletes destroy other teams really made me feel like a true Titan.

N:Wow, someone's a little competitive...

K:It's the IB. Remember in grade 10, during the TriProv opening ceremonies, everyone pulled out their banned cell phones and started waving them in the air singing "In the Jungle" (Both sing the first line of song)?

N:Oh, yeah, I remember that. What a great first impression TriProv had on our little grade 10 minds. Do you know what I liked best about TVT and TriProv? The concession!

K:Amen. And the excited feeling I got when my teacher announced (lower/change voice), "Um, I didn't really have a lesson plan for today's class, so, well, let's go watch some TVT and cheer on our athletes!"

N:Yeah, good times. I must say Ainlay does have a lot to offer. (As she names the sports. Katherine and Nimoo mime some of the sports) We have basketball, volleyball, cheer, golf, swimming, badminton, handball, rowing, rugby, soccer, cross country...

K:(Continue miming football, curling, track and at "drama" Katherine does a dramatic hand-to-forehead)...football, water polo, wrestling, curling, indoor track and drama!

N:Drama's not a sport, Katherine!

K:Well, it's a huge part of the Ainlay culture, right? (Both start singing/snapping "Summer Lovin'". Nimoo stops singing and Katherine finishes one line by herself. Nimoo gives her "a look".)

N:Let's leave it to the professionals, okay?

K:Hey, I was in the production of "Guys and Dolls" I'm practically a Broadway star!

N:I see you more in the field of Pediatric Anesthesiology.

K:Oh my gosh, thank you Nimoo. You're so sweet. I think I'm tearing up. Hold up. With increasing tuition and so many years in university, I think I should stick with being the next Angelina Jolie. I think it's going to be easier.

N:Yeah, definitely. I must say, when you're part of a drama production, you become so close with the cast and crew, you develop this bond (Nimoo hugs Katherine) that's kind of like a family: dysfunctional, but a family.

K:Do you know what else reminds me of family? The different groups at our school.

N:Yeah! Like all the people in the Student Activities Centre. It's like one big noisy family there!

K:The SAC is like a bag of Skittles: many different colours, flavours or personalities, but everyone is sweet.

N:Katherine, "What's your flavour? Tell me what's your flavour?"

K:Um, is IB a flavour? Because it spices up my life! What spices up your life?

N:Uh, BYOB? Bring your own banana!

K:(Arms behind back; stern face)

N:Why are you imitating Mr. Heidt when he was reffing dodgeball? (Nimoo stares at Katherine meaningfully)

K:DODGEBALL! That's what spices up your life, right?

N:Oh yeah, dodgeball. Usually it's the last two games that are really intense, but this year, every single game was amazing. K:The teams were paired so evenly, but the costumes also helped. (Katherine turns stage right while Nimoo pulls a beard out of her bag and puts it on.) Of course I mean, remember "Don't Tempt Me Frodo"? (Katherine turns to Nimoo and suddenly sees the beard. Shocked squeak.) Very cleverly put together, if I do say so myself!

N:And after the game between Goliath and Trace Evidence there was a huge mosh in the middle of the gym to celebrate Trace Evidence's victory.

K:You know what other refuda activity was so epic? Musical chairs in September and February.

N:An innocent childhood game (Katherine follows Nimoo around "chair") turned into a cut-throat, vicious, (both semi-sit on "chair") high school (Nimoo bumps Katherine with her hip. Katherine falls to floor) tradition. (Nimoo raises arms in victory)

K:Speaking of traditions, Ainlay's Culture Fest showcased a lot of talented Ainlay students who danced. (Nimoo does some bellydance moves), sang, wore traditional costumes, cooked butter chicken...

N:That festival was a time to embrace (they hug) our cultural diversity (point to each other and laugh).

K:And speaking of food...

N:(perks up) The cafeteria's fries were a staple in my diet! They were so good. Until they changed to a healthier - and more expensive - menu (glares into the audience).

K:A lot of things did change over the three years we were at Ainlay. What about our current principal? (Pause) We got a recycled Ainlay grad! (both look at screens at picture of Dave Jones in recycle bin)

N:(Walking stage left) And don't even get me started on the timetable changes. Starting at 9:00 wasn't so bad, but who wanted to sit in a Physics class for 81 minutes? (Katherine mimes sleeping)

K:Yeah, and we lost one of our breaks in the morning!

N:Remember all the petitions against the new timetable?

K:We were not a happy crowd, but Titans always adapt to changes, like the on-line locker registration.

N:I honestly thought Schoolzone was going to crash.

K:There are some areas of the school that look different now, too. Have you seen the new dance studio?

N:Uh, have we met? It's all mirrors. My kind of place. And the new Fitness Centre? Pretty stellar. Lots of fine looking people sweating out their stress (Nimoo does arm curls and Katherine does two squats)... Have you been to the new Career Center?

K:Yeah! It gives a whole new feel to our school. It's so brightly lit and (pause) clean...

N:We were taking a stroll around the school and we found ourselves in an unknown area. It was dimly-lit and smelled of wood and (pause) fear...

K:Then we kept walking down the hallway and we saw all these talented people hammering away on their bookcases.

N:Yeah! And people working on car engines. I was so amazed!

K:It's the warmest part of the school, too! Why isn't that the new hangout?

N:Oh, because people like bright, nice-smelling places (pause) kinda like the Cosmo room.

K:Right! They always have really neat displays.

N:Do you know what else has really cool display? The art gallery!

K:Yeah! It really shows the creative side of our Titans, just like the fashion designs. (strike pose, pout, look over left shoulder downstage)

N:Speaking of displays, remember that shed they built in the middle of the rotunda?

K:Yeah, they put a lot of time and effort into that.

N:It was weird though. One day it was there, all landscaped and cool, and the next day it was gone. How did they get it out there?

K:I love Ainlay. I think it's partly because we had such an amazing introduction that every grade 10 student went through.

N:Link Crew!

K:Do you remember walking down the hall to find our group number, (hold hands and look around, lost) looking like little lost puppy dogs? Not going to lie, I was a little scared.

N:It was so LOUD! And all of a sudden people started yelling and clapping...

BOTH:DEXTERITY CHECK! (Both start doing the Dexterity Check-movng away from each other; Then Nimoo says, CHECK DEXTERITY! and they move back towards each other centre stage)

N:We didn't forget the "whoa". Mr. Heidt! Every year it was so well-organized. Props to the students and teachers who put it all together.

K:Wait! We almost forgot about one very important section of the school. You know, the one where kids actually make stuff, instead of just reading about it?

N:The foods room! I always envied them because while we were stuck in Math, they would be eating, and this mouth-watering aroma would fill the hallways

K:You know what isn't such a fond memory? All the construction when we're trying to cross the road in the morning.

N:Does no one know what a red light means? Wait until the walking man shows up before sprinting to the other side of the street (mime these actions).

K:Well, hopefully that assembly taught students to be safe.

N:Because (say together, seriously, Katherine points at her wrist) K:"Any time is train time" I...You know what else bugs me?

N:What's that, Katherine?

K:People who live so close to the school, and yet they insist on driving their little Subarus while wearing puffy orange jackets...

N:Yeah, and slice off their middle fingers, just because all the cool kids are doing it.

K:Sort of sounds like Mr. Matichuk.

N:Yeah, that is pretty lame, but not as bad as that beanstalk of a teacher. What's his name again? Mr. Large-cow? La-cow?

K:I think it's Mr. LuuKow (Texasdrawl). Wait, it's not Mr. Luchkow, is it?

N:No, that doesn't sound right.

K:Whatever his name is, he took away my iPod! Why do teachers have such a problem with iPods?

N:Yeah, because iPods are so fascinating. If you just look to grade 10, they were so primitive; all you could do was listen to music. Now, with the new iPods, there's nothing they can't do.

K:(Nimoo pulls iPod out of pocket and touches screen as Katherine explains) Yeah! Suppose you are watching "Pirates of the Caribbean" (pause and look at grads) during English class, and watching Dave Jones makes you crave calamari, so you look up the closest Greek restaurants and use the GPS to find it.

N:There's an app, for that! (pause while looking at Touch) Oh, look! There's the medal count from the 2010 Olympics.

K:I just want to say "congrats" to all our Canadian Athletes for their spectacular performances during the 2010 Olympics.

N:I must say that whole event made Canadians feel so patriotic and proud of our country (Katherine sings a bit of "O Canada" until Nimoo pokes her to make her stop)

K:We even set a record for the most gold medals in the history of the Olympics: fourteen! And a lot of them were won by Alberta athletes!

N:That last hockey game was so thrilling to watch.

K:Nimoo, did you just hear someone cough?

N:Who was that? (glares at audience, looks around accusingly) We only allow perfect 10 out of 10 coughing techniques.

K:Allow us to demonstrate. Step one for prevention of Swine Flu. (Nimoo acts out the steps as Katherine talks.) Turn away from the person you are presently facing as you feel a cough or sneeze coming on. Step Two: raise your arm and cough or sneeze into your elbow. Very well done, Nimoo. (shake hands) a perfect 10 out of 10. Nimoo will now demonstrate the 3 out of 10 coughing technique. (Nimoo accidentally sneezes on Katherine's arm).

N:Oh, I'm so sorry! I didn't mean to spit all over you. Okay, remain calm... (digs in pocket and pulls out hand sanitizer) You're going to be okay. I have hand sanitizer! (squirts hand sanitizer on Katherine's hands and then on herself)

K:Nimoo, are you crying? Is it because of the hand sanitizer fumes?

N:No, I was just reminded of when the Avatars taught Jake Sully the ways of their people. It just brings tears to my eyes. It was a beautiful movie.

K:In all seriousness, though, do you know what really brings tears to my eyes? The death (both look at the screen picture of Michael Jackson) of the King of Pop, Michael Jackson. I've never seen the whole world come together like that.

N:The earthquake in Haiti also got everyone motivated. Students at Ainlay donated to the relief efforts. Clubs like Amnesty International and Me to We really got students involved in worthwhile causes.

K:Another event that is hitting us all is the recession. The premier told us to tighten our belts, reduce salaries, close hospital beds, and even stop providing toothbrushes for seniors in assisted living facilities.

N:It was tough, but things are turning around. It proves that with hard work and hope we can persevere despite any circumstance.

K>Last year was pretty amazing in the US. What about Barack Obama? He said "that when we were tested, we refused to let this journey end, that we did not turn back, nor did we falter".

N:And he became the first African American president!

K:Every one of us, even the cute guy (Nimoo waves flirtatiously at him in the audience) in the burnt mahogany and tinted grey suit, has grown so much over the past three years.

N:Every failed test, every heart break has taught us a life lesson.

K:Now, let's embrace this knowledge and take it with us. Life has a funny way of twisting when you least expect it to. N:It will all be worth it, no matter how difficult or easy it may be, because everything happens for a reason.

K:So remember the dreams you had when you were a child and hold onto the dreams you have now.

N:Each one of us can reach our dreams. We just have to stay true to ourselves and stand our ground.

K:Find that internal strength and dare to succeed.

N:Dare to know who we are and embrace every strength and flaw we have.

K:Now, we want to give a big shout out to all our teachers and support staff.

N:Teachers, thank you so very much, for the knowledge and wisdom...

K:...and the smiles which always helped make school a little bit more bearable.

N:"Welcome to wherever you are

K:This is your life, you made it this far.

N>Welcome, you gotta believe that right here, right now

K>You're exactly where you're supposed to be.

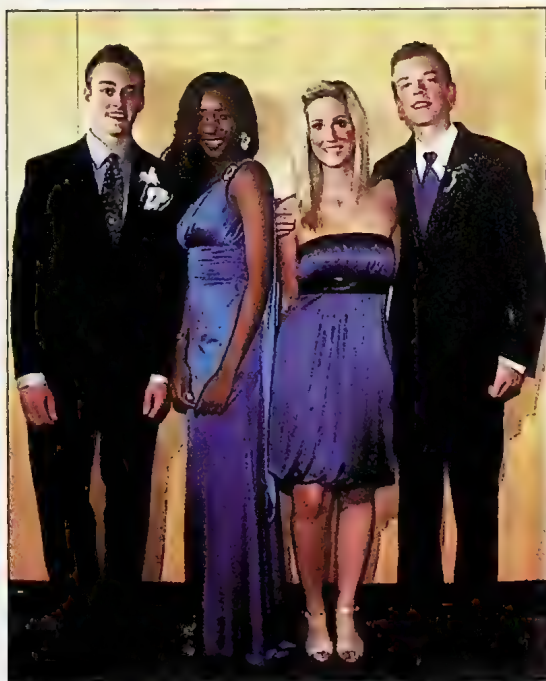

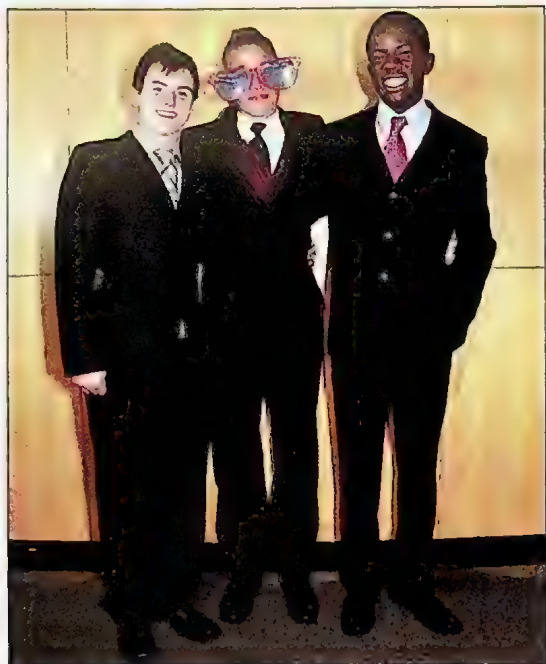

BOTH>Welcome, to wherever you are"

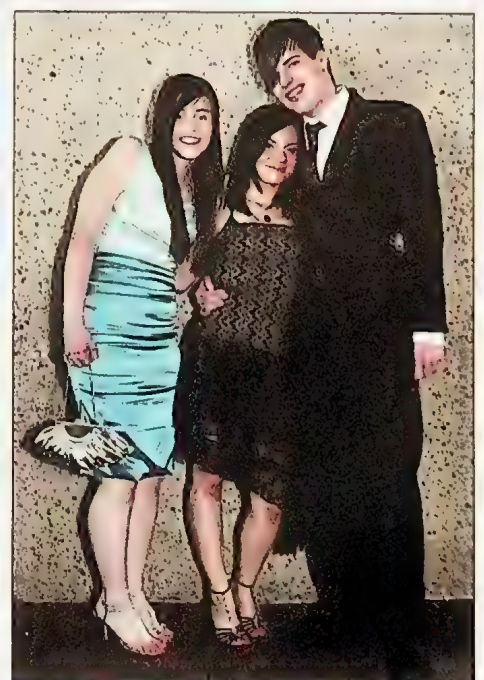

N:(horrible look on her face) Katherine! Do you know what time it is?

BOTH:(Katherine looks at her watch and they both yell) TRAIN TIME! (Both yell, "Congratulations Class of 2010" from offstage).

awardscandidaids

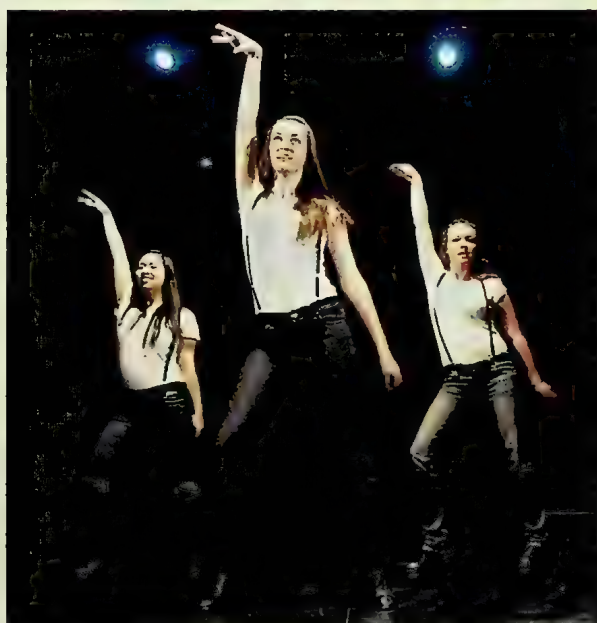

This year, the Grade 12 awards were presented at Commencement on May 28th at the Jubilee Auditorium. The Grade 10 and 11 awards were given out at the Harry Ainlay awards ceremony on June 3rd. Congratulations to all of our award winners. Once again Ainlay students reach excellence. Special thanks to all of the volunteers who worked to make these events happen.

danceshowcase

The Good Foot Dance Showcase was held on April 28th & 29th at Ainlay in the lecture theatre. Performances featured members of the Harry Ainlay Dance Club exhibiting Hip Hop, Poppin', and break dancing, as well as performances by the three dance classes in jazz, ballet and swing. It was an amazing show that demonstrated the versatile talent of Ainlay's dancers.

dramapalooza

This is the fourth year end showcase hosted by the drama department. It is an opportunity for Drama students to share their class work with their friends, family and peers.

September - Guy Laliberté, Cirque du Soleil founder, became the first Canadian space tourist paying \$35 million (USD) for a seat on the two-day journey to the International Space Station. He brought clown noses with him.

October 30, Calgary's vaccination clinics are so overwhelmed by thousands of people that by noon all five of them have closed for the day and the province risks running out of vaccine by next week.

November 4, The Alberta government plans to investigate how the Calgary Flames managed to get access to swine flu shots for their players while their fellow Albertans (cancer patients, chronic lung patients, pregnant women and their children) lined up for hours to get theirs.

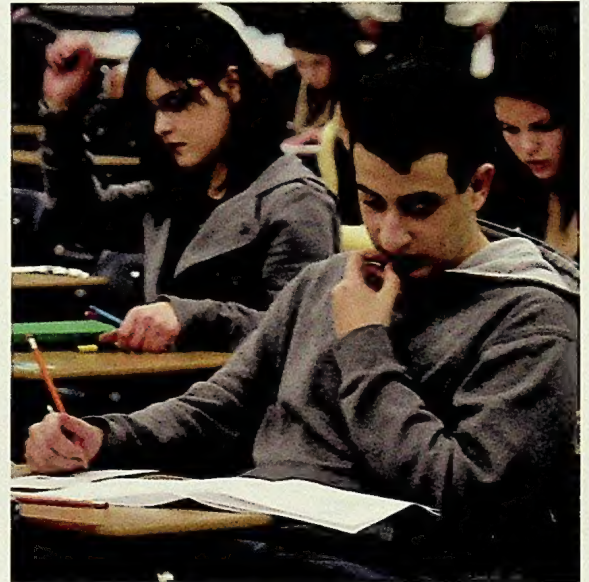

December - *Avatar*, is released in Canada. Becomes the highest grossing film of all time, earning over \$2.6 Billion in ticket sales.

January - A magnitude 7.0 earthquake hits the nation of Haiti, leaving 230 000 dead, 300 000 injured and over 1 million Haitians homeless.

February - Canada wins hockey gold at the Vancouver Winter Olympics when Sidney Crosby scores a winning overtime goal. Canada ends the games with 14 gold medals - the most ever awarded to a single country in a Winter Olympics.

March - The human genome consists of tens of thousands of protein-coating genes - 20 per cent of those genes have been patented by multibillion-dollar corporations. Who owns your genomes?

April - British Petroleum operating a Gulf of Mexico oil rig exploded causing millions of litres of oil to spew into the sea. Stopping the leak is complex and numerous efforts have failed.

May 4th - Snow Day! Classes are cancelled for the day when a snowstorm knocks out electrical power.

June - G8 summit is held in Toronto. Politicians, Protesters, \$1 Billion, Police tactics questioned, burned police cars, close to 1000 are arrested. New record as the largest mass arrest in Canadian history.

senioreditor'snote *kai-lynn gan*

Wow! It's been an unbelievable school year here at Ainlay! With so many awesome friends, encouraging teachers and amazing events, this yearbook is a collection of good times and an awesome experience here at Harry Ainlay. In the near future, I hope that this yearbook will bring back memories of high school. It has been a pleasure working with this year's yearbook team. I have really enjoyed coming in the yearbook room everyday to help create this colorful memento and I hope that you cherish this collection of stories, snapshots and candid.

Kai-Lynn Gan, Senior Yearbook Editor

editor'snotes *zainab sunny laura*

We have dedicated many lunch hours to organizing, editing and overseeing the creation of these yearbook pages. Although it has been a huge undertaking we have very much enjoyed the process of seeing the book evolve from the first completed page to this final page. Numerous other students worked on the creation of this book and we greatly appreciate every contribution these team members have contributed. The yearbook is the one lasting record of what the Titans of 2009-2010 accomplished over the course of this intriguing year. Please enjoy your yearbook today and in the years to come.

Zainab Ijaz, Sunny Lu and Laura Vehring

yearbookadvisor *mr.wright*

As yearbook advisor I have had the opportunity to attend many events, sports games and the day to day life at Ainlay. It is difficult, even through the use of images to truly capture the rapid pace and excitement of Ainlay during 2009-2010. Every year I am truly in awe of all that the students and staff of Ainlay achieve over the course of the school year. We have 2000+ very amazing students that create an upbeat school atmosphere that is constantly humming along at full speed. The yearbook team has logged thousands of hours to create this book. Thank you all a Thousand Times for making Harry Ainlay the dynamic school that it is.
